

CSE 2102 Group 3 Milestone 2 – Personas

Owen Zheng - Persona 1:

Short Bio: Olivia, 38, (Female), (Animal Caretaker/Adoption Counselor)

Location: New York

Long Bio: Olivia has been an animal caretaker for a pet adoption center for over 20 years. She takes care of the pets' well-being and makes sure that they stay healthy with plenty of nutrients and exercise. She also works as an adoption counselor, in which she helps the animals find a compatible owner that will provide all the pet's needs and make sure that the pet matches the owner's daily routine or lifestyle.

Rohit Suresh - Persona 2:

Image of Some Random Guy

Short Bio: Dwayne, 21, (Male), (Cybersecurity Technician)

Location: Asheville, NC

Long Bio: Dwayne is a cybersecurity technician who spends a balanced amount of time working on securing networks and systems. He lives alone in a cozy house with a front and backyard and has been considering adopting a pet for companionship. Since he has a busy work schedule, he prefers using an efficient online platform to browse available pets, check their health status, and schedule adoption visits at his convenience.

Zach Demanche – Persona 3

Short bio: LeBron James, 40, Male, NBA basketball player

Location: Beverly Hills, CA

Long Bio: LeBron James is a professional basketball player who has spent decades dominating the NBA. He just became the first player in the NBA to score 50,000 points in his career. Between training, games, and media conferences, his schedule is packed, but he always finds time for family and community involvement. LeBron has always been passionate about animal welfare and is now looking to adopt a pet for his children. He needs an adoption platform that allows him to quickly browse, ensuring the pet is family-friendly, and streamline the adoption process for me.

Jiawen Chen - Persona 4:

- Name: Alexandra (Alex) Morgan
- Age: 29
- Gender: Female
- Ethnicity: Caucasian
- Location: Portland Oregon
- Work: Animal Shelter Intake Coordinator
- Long Bio:

Alexandra has always had a soft spot for animals. Now working as an Intake Coordinator at a busy urban shelter, Alex manages the arrival of new rescues, records key data about their health, behavior, and vaccination status, and works closely with veterinary staff and adoption teams. Known for her calm and patient demeanor, Alex excels at helping frightened or injured animals feel safe while also managing the behind-the-scenes data that ensures animals get the right care and placement.
